Hiring, Firing, Retaining Employees - 2020 Hot Topics
What are the pitfalls of hiring Independent Contractors as a substitute for employees? Have the overtime pay rules for your managers changed? Will employers in Florida all be required to e-verify new hires for legal work status in US? These are a few questions that will be answered by our State association’s (FRACCA) General Counsel. This will also be your opportunity to have your legal questions answered about employment, employment contracts, and licensing.

Speaker: Tray Batcher, Esq., is a Partner in the law firm of Cotney Construction Law, based in Tampa with offices throughout Florida and surrounding states. The firm serves as General Counsel for FRACCA and provides brief, no cost consultations to SWACCA members.
